

# ***IS YOUR SCHOOL READY FOR AN EMERGENCY?***

Emergency & Health relief organizations urge schools & parents to:

- Keep emergency supplies *AS CLOSE AS POSSIBLE TO STUDENTS*
- Provide adequate nutrition for high stress occasions
- Provide adequate, pure hydration
- Have non thirst-provoking, shelf-stable supplies that do not attract vermin
- Have emergency lighting & warmth
- Provide emergency contact information

*The **E**.mergency **R**.esponse **Ki+**<sup>TM</sup> addresses all these concerns at a low, economical price plus more...*

- √ Compact, classroom storage
- √ US Coast Guard approved supplies for land-based high stress situations
- √ Non-allergenic, non-thirst provoking nutrition
- √ Renewable emergency contact information
- √ 5 year shelf-life *PLUS*
- √ Free vinyl storage tote-bags and adult kits with minimum purchase
